

Dear Parents and Supporters,

**The UBC Dolphins would like to invite you and your friends
to participate in this special upcoming event!**

On September 10, 2005, at the Vancouver Aquatic Centre, we will be taking part in Aquatics for Arthritis. This is a new fundraising and awareness event created by The Arthritis Research Centre (ARC), to support arthritis research in British Columbia. ARC was founded in Vancouver to conduct practical research into the prevention, treatment and self-management of arthritis.

The UBC Dolphins have entered two teams in this event:

**UBC Dolphins
UBC National Swim Centre**

**Team Captain: Caitlin Meredith
Team Captain: Brent Hayden**

Our goal is to raise **\$2,000.00** for arthritis research.

Your generous donation will show support for arthritis research, as well as for our athletes and their commitment to the community. All proceeds benefit Arthritis Research in BC and tax receipts will be issued for donations of \$25.00 and above.

You can donate 2 ways:

1. Mail:

Fill out the attached form and send it with your donation to:
The Arthritis Research Centre
895 West 10th Ave
Vancouver, BC V5Z 1L7

2. Online:

www.aquaticsforarthritis.ca
Click on Make a Donation.
Type in the team name in the box.

With your help, researchers will be able to find new ways to prevent and treat arthritis. You can make a difference to the more than 500,000 British Columbians living with arthritis.

Let's all do our part!
